TRANSFORMING *Lives...*

OUR **INSPIRATION** •

His Holiness Param Pujya Acharya
Shri 108 Samantbhadra Muni Maharaj

OUR **VISION**

Transforming lives through
exemplary education

OUR **MISSION**

- To impart education of high standards in multiple disciplines
- To develop curriculum that builds life skills
- To be an active partner in Nation building

OUR **PILLAR**

As a young entrepreneur who was active in the freedom struggle, Shri Komalanna Doddanavar yearned to do more for the society and the nation at large. Born in 1924 in Belagavi, he was an avid cricketer, travelled extensively, had a wide network of friends and acquaintances and was very well read. His pursuits ranged from a flourishing timber business, mining and logistics and he also actively worked in politics and social spheres. One cannot forget the service he rendered to the Jain monks and holy men and women at every occasion presented. Komalanna was a pioneer in many ways- the first businessman to use modern technology for his timber and chemical factories, his was the first business to have a workers' union and the first to provide labour benefits to all its workers. He spotted talent and opportunities very well. His dream to provide quality education at affordable price saw him initiate Bharatesh Education Trust (BET) along with a bunch of other enthusiastic youth in 1962. It started with just one school from rented premises. Komalanna knew how to grow his ventures and soon enough, he managed to get land sanctioned for the first building of BET for the D. Y. Chougule Bharatesh High School in 1972.

Komalanna was also the visionary and people's leader who saw ahead of times. He started the Polytechnic sensing Belagavi youth needed affordable technical education. ITI, Homeopathic Medical College, Degree colleges and schools (English, Kannada and Marathi) followed. As Bharatesh grew its expanse, Komalanna had devoted all his time and energy for its robust development. It was his relentless pursuit that enabled Bharatesh to set up a land bank of over 30 acres during his tenure as Chairman. He dreamed of a Bharatesh that would offer all kind of education to everyone who needed it and the Trust is steadily on its way to accomplishing it.

DONATIONS AND SPONSORSHIPS

BHARATESH SCHOLARSHIP FUND

We believe that no deserving child should be devoid of getting quality education for lack of funds. Bharatesh Education Trust is known for encouraging students from underprivileged sections of the society to seek education. This purpose is largely met through the scholarships and fee concessions to the deserving students from Bharatesh Education Trust. The scholarship scheme began in 2004-2005 with an initial corpus of Rs. 10 lakhs donated by Dr. Sanathkumar Chougule of Australia. Today, this corpus stands at Rs. 3.00 crores out of which Rs. 70 lakhs had been the contribution of Dr. Chougule. A key highlight of this scholarship is that out of the total annual interest accrued, around 50% is used for scholarship disbursement and the remaining is ploughed back into the corpus.

- Scholarship corpus of Rs. 300 Lakhs
- Amount of scholarship disbursed : Rs. 88 lakhs
- Number of students benefitted : 1907
